Subject: Psychic Sales No Cost Live Training

This Thursday, you're invited to join me and my special guest Frank "Mass Control" Kern for a one time only live training on Mastering the Art of Selling One To Many.

During this no cost training you'll discover secrets most people will never know about making sales from webinars, teleseminars, videos and in person presentations explode like a fireworks display on the Fourth of July, :)

Here's a sample of what you'll learn:

- ☐ How to **get DEEP into the minds of your prospects** so you know EXACTLY what they *desire*. (Do this and you'll create offers so irresistible you'll **create a stamped of people with credit cards in hand BEGGING to buy from you.**)
- ☐ How to **control the minds, emotions and actions of people** who are watching or listening to your presentation. (This is controversial because it involves *real mind control* - but it works.)
- ☐ **The 3 most powerful one to many closing techniques that will add a rocket launcher your sales results.** (Dave is going to teach you how he structures all of his closes so you can model it and experience amazing results for yourself.)
- ☐ How to use **hypnotic language patterns to overcome objections**, make your prospects ardently *desire* what you offer and gracefully close the sale - withOUT high pressure, old fashioned sales techniques.
- ☐ **Frank Kern's #1 mass influence secret** and how you can use it to

put more money in your pocket starting with your very next presentation.

If this interests you, you need [reserve your spot now](#) and then put the details on your calendar i so you don't forget out it.

P.S. One of the best ways to make a big jump in the money you make is to graduate from one on one selling to one to many selling. It doesn't matter what business you're in either. I'll show you how to do it on Thursday.

Frank Kern, me and what you'll miss out on

If you want want to make money quickly, in big chunks then I respectfully suggest that missing the [live training I'm doing this Thursday](#) would be a mistake.

I understand if you don't like selling. It's probably because no one has ever taught you how to do it properly or the word "selling" conjures up images of old high fashioned, high pressure salespeople.

But the fact is learning how to professionally and ethically close sales in one to many sales situations like teleseminars, webinars. sales videos or group presentations gives you the ability to help more of your clients,customers or patients get what they want and puts more money in your pocket.

It's also one of the best ways to instantly increase your profits and therefore your financial security, without having to spend an additional dollar on marketing.

When you attend the live Psychic Sales training on Thursday, I'm going to teach you my Psychic Sales one to many sales system you can apply to your business regardless of what your business is.

This is the same system that has produced millions of dollars in sales

for me, GKIC and my other clients.

It's the real deal.

Frank Kern is my special guest and he is going to also share with you some of his most powerful mass persuasion strategies you can use right away.

Don't miss this one time only event.

By the way, I'm not sure if I'm doing a replay or not. If I do, it will be for a very limited time and only for people who registered for the live event.

Don't forget my buddy Frank Kern is also going to be joining me and gteaching you some cool stuff as well.

Hope to [see you tonight](#).

Dave Dee

P.S. The truth is, I'm not great at a whole lot of things. Honestly, my fiancé calls me an "idiot Savant."

But I am one of the best in the world at one to many selling and teaching

others how to do it too.

Check out what one of my students has to say:

"Dave Dee's program is **incredible**. I have done a lot of webinars and taken several speaker's training programs, and this course had the most impact by far.

I ran a webinar last week on my own, then I took , took Dave's course, put his techniques in place, and did the webinar again. The second time, with a smaller audience, I had *double the sales!*

I cannot tell you how rewarding it is to go through a course and get these kind of results. From story telling, to how to give a better close to telling the audience exactly what you want them to do in order to get them take action, Dave's teachings were spot-on. I just wish I had taken it years ago."

I'd love to have you go through my training and get results like this too.
